Research has proven that the touch of massage has the following positive effects:

- Enhances attentiveness
- Alleviates depressive symptoms
- Reduces pain
- Reduces stress hormones
- Improves immune function

This class is open to couples of all kinds! Spouses, significant others, co-workers, best friends, family members, or even random acquaintances are all welcome. The only catch is you must bring your own partner.

What you'll learn:

- Special techniques to release trigger points & cramping

Protocols taught will be administered to a receiver lying on the floor or sitting in a chair. Class activities will require the need to move freely. Please come dressed in loose, easy to move in clothing that allows easy access to skin without disrobing entirely.

How to dress: T-shirts, tank tops, sports bras, sweat pants, yoga pants, sport shorts are appropriate. All cotton or cotton/lycra blends are most appropriate. Please avoid slick materials such as nylons & certain dry-fit clothing as working through these materials may impede proper contact & pressure application.
